To Whom It May Concern,

03/01/2021

Praise the Lord!!! To Whom all blessings flow! We are so excited that you have been led by GOD to partake in **The Atmosphere for Change Bible Institution & Establishments, LLC.**

I, The Chief Apostle Jeanette Ingram believe that you will be blessed if you come with the expectations of meeting our Lord and Savior Jesus Christ as He and His precious Holy Spirit teaches us in each and every class.

God moves at the level that our expectations are open to receive that which He has for us in whatever capacity needed or expected. All things are possible to them that believe. Amen!

There are many things that we will encounter! However, my prayer is that we all have open hearts, as He teaches us the Word of God. This is the way of living according to His Kingdom, and on earth, as it is in Heaven, as we wait for His return on that Glorious Day.

Meanwhile, He tells us to occupy, till He comes, and He also tells us to study to show ourselves approval to God, a workman that be not ashamed, rightly dividing The Word of Truth. So, as we study The Word of God and we thank Him in advance for the open Heaven Wisdom. His Word is the lamp unto our feet and the light unto our pathway. He has promised to teach us all things and guide us into all Truth. Let's prepare now to receive of the Lord Jesus, By The Holy Ghost Himself!

Below is a registration form that needs to be filled out and sent back to me ASAP!

There are only 12 seats available for each class. And there will be different levels for each class. So please choose what School/Course that best for you.

The bible says that; many are called but few are chosen. This means that although you know you're calling there is something that happens in between the calling and the being chosen and that's the proving, which is called maturing or growth. This is the group of people that God is leading me to work with. Some may be asked to attend because the leadership role has been identified in you and God wants to take you to the next level. If this happens to you, please be open to
